MEMORANDUM FOR: Director of Materiel

SUBJECT: Request for Coffee Percolator

In the near future operational requirements will necessitate Room 538 being open on a 24-hour basis. For operational reasons, certain key briefings will be undertaken during the early morning hours (2:00 - 4:00 AM) and there is no place to buy coffee in the building nor any place nearby at this hour. It is, therefore, requested that a coffee percolator and equipment for a coffee mess be made available for use by the personnel in Room 538.
